MINISTRY OF COMMERCE AND INDUSTRY

(Department of Commerce)

(DIRECTORATE GENERAL OF ANTI-DUMPING AND ALLIED DUTIES)

CORRIGENDUM

New Delhi, the 23rd March, 2001

**Subject :—**Initiation of anti-dumping investigations concerning imports of Ferro Silicon originating in or exported from Ukraine.

**No. 17/1/2001-DGAD—**The Designated Authority, having regard to the Customs Tariff Act, 1975 as amended in 1995 and the Customs Tariff (Identification, Assessment and Collection of Anti-Dumping Duty on Dumped Articles and for Determination of Injury) Rules, 1995, hereby makes the following clarification in the Initiation Notification No. 17/1/2001-DGAD dated 9th March, 2001, namely :—

The Initiation Notification No. 17/1/2001-DGAD dated 9th March, 2001 shall also include page 2 (of the English version) containing the sections from Para 2(k) to Para 7 which shall read as follows :—

“(k) Sandur Manganese and Iron Ores;

(l) Visvesvarya Iron & Steel Co. Ltd.,

(m) Universal Ferro & Allied Chemicals

M/s. Indian Metals and Ferro Alloys Ltd., Bhubaneswar, has filed the petition and is hereinafter referred to as the petitioner. M/s. VBC Ferro Alloys Ltd., Hyderabad has supported the petition. The petitioner accounts for 50.2% of the total domestic production and therefore satisfies the standing to file the present petition

**3. Country(ies) Involved :** The country involved in the present investigations is Ukraine (referred to as subject country hereinafter).

**4. Like Goods :** The Petitioner has claimed that goods produced by it are like articles to the goods originating in or exported from Ukraine. Goods produced by the petitioner are being treated as Like Articles to the goods imported from the subject country within the meaning of the Rules.

**5. Dumping and Dumping Margin :**

**Normal Value :** The petitioners have claimed normal value in Ukraine on the basis of constructed cost of production of Ferro Silicon.

**Export Price :** The petitioners have claimed export price based on the data published by DGCIS. Considering the normal value and export prices the dumping margins are significantly higher than the de-minimis limit.

**6. Injury and Causal Link :** The various economic indicators relating to domestic industry such as production, sales, profit/loss etc. collectively and cumulatively, indicates that the domestic industry has suffered injury. There is sufficient prima facie evidence that the imports of the product under consideration have caused material injury to the domestic industry.

**7. Initiation of Anti-Dumping Investigation :** In view of the foregoing paragraph, the Designated Authority initiates anti-dumping investigations to determine the existence, degree and effect of alleged dumping of the subject goods originating in or exported from the subject country.”

It is clarified that the rest of the said Initiation Notification dated 9th March, 2001 will read as published in Part-I, Section I of the Gazette of India Extraordinary.
